# Graduation Pledge

---

I, \_\_\_\_\_, will graduate high school in May of 2024. I understand that to graduate high school I will need to earn 24 credits in the designated areas. I know my commitment to academics carries our school's tradition of excellence forward, and I know it sets a good example for the younger students in our Bulldog Family. I pledge to communicate with my family, teachers, principal, and school counselor when I encounter hurdles on my path to graduation, because if I don't ask for help they won't know I need it. A high school diploma is my ticket to college, the armed forces or the workforce. I pledge to put in the hard work and effort necessary to earn my high school diploma, not only for myself, but for my family, school, and community. I am Responsible, Respectful, On Time, & Ready to Graduate. I will have my 24 credits by May 2024!
